**PETITION TO INTERVENE OF
CMC STEEL SOUTH CAROLINA**

CMC Steel South Carolina (“CMC”) hereby petitions to intervene as a party of record in the above-captioned proceeding. CMC states the following grounds in support of its petition.

1) CMC owns and operates a steel manufacturing facility in Cayce, South Carolina. This facility utilizes an electric arc furnace (“EAF”) to melt and recycle steel. This process requires CMC to purchase very large quantities of electricity from South Carolina Electric & Gas Company (“SCE&G”) at a cost of millions of dollars per year. Because the cost of electricity is one of the major costs of steel-making utilizing an EAF, the cost of electricity directly affects CMC’s ability to produce steel at a competitive price. CMC is one of the largest retail customers of SCE&G.

2) Due to the magnitude and unique characteristics of its load, CMC cannot be adequately represented by any other party to this proceeding. At this stage of the proceeding, CMC has not fully determined what positions it may take.

3) CMC’s mailing address is:

CMC Steel South Carolina
310 New State Road

Cayce, SC 29033

4) Mr. Shissias is authorized to accept service of papers in this proceeding on behalf of CMC. CMC also respectfully requests that Damon E. Xenopoulos be added jointly to the service list as CMC may seek Mr. Xenopoulos' admission to appear before the Commission *pro hac vice* in this docket. Mr. Xenopoulos' address is:

Damon E. Xenopoulos
Stone Mattheis Xenopoulos & Brew, PC
1025 Thomas Jefferson Street, N.W.
Suite 800 West
Washington, DC 20007
(202) 342-0800
Email: dex@smxblaw.com

WHEREFORE, for the reasons set forth above, CMC respectfully requests permission to intervene in this proceeding.

Respectfully submitted,

Alexander G. Shissias
